**Re: Hazan Sports Management Group, Inc. v. Beasley/ 1:25-cv-03259-JAV-GS**

Dear Judge Stein,

I represent the Plaintiff, Hazan Sports Management Group, Inc., in the above captioned case. I hereby submit this letter motion for an additional extension of time to move for a default judgment, as since our original letter motion dated June 11, the Defendant's employment prospects as a professional basketball player in the NBA have materially changed in the wake of reports of an active federal criminal investigation of the Defendant's alleged sports wagering activities. These reports have impacted negotiations as they have created a great deal of uncertainty regarding Plaintiff's best path to recovery of the amounts owed to them by Defendant.

The Plaintiff has been in contact with the relevant stakeholders within the world of professional basketball and the NBA about the matter in order to obtain greater clarity about the Defendant's standing with the NBA and his likelihood of obtaining employment with an NBA club for the upcoming season which begins in October. It is Plaintiff's belief that they will receive sufficient clarity within the coming weeks to understand whether a settlement is advisable in light of the unforeseen change in circumstances.

Therefore, in the interest of judicial efficiency and providing the Plaintiff sufficient time to obtain all of the relevant facts as to how to proceed with this case, pursuant to Local Civil Rule 7.1(d), the Plaintiff hereby requests an additional extension of thirty (30) days to either file its motion for default judgment or provide the court with a further update regarding the progress (or lack thereof) of settlement negotiations.

Respectfully Submitted,
